**Re: Generic Docket – Amendments to Interconnection  
Agreements/Change of Law  
Docket No. 2004-316-C  
Our File No. 30042-0003**

Dear Mr. Terreni:

In the response of the Competitive Carriers of the Southeast (CompSouth) to BellSouth's Motion for Summary Final Order or Declaratory Ruling and Cross-Motion for Summary Final Order or Declaratory Ruling filed July 18, 2005 ("Response"), CompSouth stated that certain issues may be withdrawn from the Joint Issues Matrix (Issues 7, 13, and 20). US LEC of South Carolina Inc. does not object to the withdrawal of the issues delineated in the Response;<sup>1</sup> however, the Commission should be aware that numerous issues, including Issue 7, are the subject of a motion for reconsideration filed by a number of CLECs, including US LEC, in *the Matter of Unbundled Access to Network Elements/Review of Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers*, WC Docket No. 04-313/CC Docket No. 01-338 (the "TRRO Docket"). There is also a pending forbearance petition filed in the TRRO Docket that addresses similar issues, and the FCC is seeking comments on the petition no later than September 12, 2005.

While US LEC does not object to the withdrawal of these issues, it reserves any and all rights to bring these issues, and any other issues under reconsideration, back before this Commission, in this or a separate docket, should any FCC ruling result in any further change of law.

<sup>1</sup> Response, p. 5.
